Holidays

Please remember to review your home security if you are planning a holiday. Try and make your property look like you are still there with items such as light timers. Ask a neighbour if they can park on your drive. Limit who you tell you are going away. Do not post on social media until you return. Do not leave money or jewellery in your house unattended. We have a selection of crime prevention products at the office if anyone would like any ideas please get in touch.

Anti-social behaviour

Patrols have been continued throughout the holidays. Regular visits to Rugby Road Park, Hinckley Road Park, Colts close park and the outdoor gym area. We have been engaging with our residents. We have received minimal complaints and have increased patrols in areas of resident concern.

Burbage common incident update

Officers investigating after a woman was touched inappropriately by a man on Burbage Common have made an arrest. A 58-year-old man, from Leicester, arrested on suspicion of assault has been bailed pending further enquiries. Anyone with information is asked to call DC Shauna Ashton on 101 and quote 19*386700. You call also private message Leicestershire Police. No further reports of suspicious activity in the area have been received.

This month's events

As well as our beat surgeries at the Co-op and Three pots post office, we have also attended the street sale on Featherston drive which was raising money for a variety of charities. I also attended the Peace Day event with local elderly residents at Hereford way community house.

At the end of last month we conducted a speed gun event on Coventry road, Sapcote road and Hinckley road. This month we visited Featherston drive, Woodland Avenue, Coventry road and Greenmoore road. These events are helping to make sure that drivers are aware of their speed and to make our roads safer. The feedback has generally been positive. If you would like to volunteer to help us, please get in touch. I currently have a long list of streets in Burbage that residents would like us to visit.

We are also starting to see several incidents regarding high pressure door sales. I will be planning in some educational talks with elderly and vulnerable over the coming month. If you would like a visit from me please get in contact. General advice is not to hand over cash at the door, don't let anyone in to your property, keep the chain on your door, ensure your cash and jewellery is well hidden. We have plenty of advice around rogue traders, online scams, phone calls and door to door sales. Please either speak to me or check out <https://www.leics.police.uk/search/?q=scams>
