### Thefts of high value motor vehicle

We have seen several attempts of theft of motor vehicles over the recent months. Targeted vehicles are usually high value and/or high performance. If you have a vehicle that may be targeted, please consider CCTV, home alarms, car key protector wallets. Also try to make your property look like someone is in. Consider light timers etc. If you would like further advice please contact me [Darren.stretton@leicestershire.pnn.police.uk](mailto:Darren.stretton@leicestershire.pnn.police.uk). Locations include Briamead, Featherston drive, Woodland avenue and Salisbury.

### Anti-social behaviour

We have received recent reports of youths causing ASB on Tilton Road Park around the Burbage surgery area. We are monitoring the situation and completing additional patrols. If you have any information please get in touch.

### Rogue traders and scams

We have received feedback through residents attending our beat surgery that there had been door to door salesmen knocking on doors of elderly and vulnerable. As a result, advice was given and I arranged a few events where I visited local elderly groups to give talks on crime prevention and what to do if someone knocks on their door. If you know of any other groups or individuals that would like a chat please get in touch.
