

6th May 2022

To the occupier,

B590 Rugby Road/Hawley Road and Brookside Improvement Scheme

I write to inform you that a road closure is needed on Hawley Road, Hinckley next week. The works will commence on Tuesday 10th May and Hawley Road will require a full closure for up to 3 days between approximately 9am to 3pm.

To enable our contractors to safely carry out the works we will need to temporarily close Hawley Road to Rugby Road to through traffic in both directions.

The road closure and our works will commence at 9am to approximately 3pm on the affected days.

Signed diversion routes will be in operation when the roads are closed. Traffic marshals will be in place at strategic locations to give assistance. Please ensure suitable provisions are in place to avoid the restriction between the times stated above.

Please be mindful that this construction work will involve the movements of large plant and machinery within the carriageway, including reversing manoeuvres.

The short-term alteration to current traffic management arrangements is essential for the junction works to continue to progress on programme. Once completed all road users will benefit from the improved road safety and condition of the carriageway which will minimise the need for future interventions.

During the closure it is inevitable that some disruption will be caused, and I apologise in advance for any inconvenience. Should you have any queries concerning these works please contact me on the number detailed below or email joanne.plews@eurovia.co.uk.

Updates will be published by Leicestershire County Council, and information can be found at www.leicestershire.gov.uk/roads-and-travel/road-safety/rugby-road-and-hinckley-town-centre-improvement-scheme and www.streetworks.org.uk

We thank you in advance for your patience and cooperation during the upcoming works.
