- **Theft of a Fiat 500 from Church Street.**
- **Vehicle number plates stolen from a vehicle on Rugby Road.**
- **Rogue traders on Boyslade Road.**

A very different type of vehicle crime this month. Regardless of the type/cost of vehicle you have, please consider steering locks to deter car thieves. Please also keep a look out for any elderly or vulnerable neighbours regarding rogue traders as there has been a recent increase in reports of suspicious vehicles and door knocks in the area.

Please encourage friends, neighbours and family members to sign up to Neighbourhood Link to help raise awareness and reduce crime. We send out regular Emails to keep you up to date in Burbage.

Please continue to be vigilant and get in touch if you have any concerns regarding crime prevention. We have recovered several vehicles and arrests have been made following stop checks by officers in Burbage. Remember to call 101 or 999 immediately if you see anything of concern.

#YouSaidWeDid

You said – Road Safety

We did — We have held a meeting at Sketchley Primary School with Leicestershire county council to discuss ways in which we can implement road safety measures in the area. There will be ongoing activity where hopefully work can be done. We have some plans over the next month to address concerns and put solutions in place to ease road safety issues. New MVAS (speed box's) have also arrived and are currently being tested around the village in 9 new locations. We will hopefully be sharing these results in the future. We are working with the Parish council on this and any feedback we receive through Neighbourhood link will determine where these boxes are located.

You said – Fraud (e.g. bogus callers, courier fraud, cyber-crime)

We did – We have received an increase in reports of door to door sales in the area. We had one incident where a resident was reportedly scammed out of cash. We continue to leaflet drop in potentially targeted areas, visit victims and offer support, safeguard victims and raise awareness which will hopefully reduce incidents. Remember to get as many details as possible such as registration plates or person details as some incidents can be followed up even after the activity. Please keep a look out for elderly or vulnerable neighbours, friends and family.

You said – Vehicle Crime

We did – There have been several vehicle thefts this month which are not consistent with the usual types of vehicle crime in Burbage. Regardless of the type of vehicle you have, please consider steering locks, car key wallets and generally be aware. We continue targeted patrols and supporting residents with crime prevention items such as RFID wallets and anti-theft VRM screws. Several stop checks have been completed this month where arrests were made. Several stolen vehicles were also recovered.
